Week 2- Destined For Greatness

Discussion Guide

Have you ever felt like there was more to life than what you are currently doing? God has planned out amazing ways for us to use our talents, skills, and gifts. When we follow His call to serve, we begin to see that we were created for greatness, and to be a part of something even greater.

1. Describe your first job situation. (What was it? What did you do? Describe your co-workers, etc...)
2. What is an area where you would say you are skilled, talented, or gifted?
3. There are many places in the Bible where God tells us that He has special plans for us. How does that make you feel? Can you see this being proven true in your life? Or are you still unconvinced God has special plans just for you? (Personal Study: Ephesians 2:10, Jeremiah 29:11, John 15:16, 1 Corinthians 12)
4. We can accomplish so much more when we are united and serving together. Discuss with your group a few of the great things we could accomplish if we were each serving in the unique way God has destined for us to serve.
5. Final Thought: life is a series of next steps. If you are not currently on a serving team, your next step is to get more information and sign up to serve. Take these last few minutes of group time to talk about the different teams out there and pray about where God is calling you to serve. Don't miss out. You are destined for greatness!
